*"Energy moves in waves. Waves move in patterns. Patterns move in rhythms. A human being is just that, energy, waves, patterns, rhythms. Nothing more. Nothing less. A dance." (Gabrielle Roth)*

# Awakening to Dance

A weekend of Gabrielle Roth's 5Rhythms®, an exhilarating, liberating and ultimately ecstatic approach to improvisational movement. The 5Rhythms are Flowing, Staccato, Chaos, Lyrical and Stillness. They come together to create the Wave®, a movement meditation practice. As creatures of habit, we often limit our full range of expression, only moving in conditioned ways we feel comfortable with. This causes us to lose some of our vitality as we become restricted in our physical, emotional and mental health & creativity. Moving through these 5Rhythms shakes all this up, inside and out.

The invitation is to fall in love with the dance in you – whether you are being introduced to the Wave® for the first time, or refreshing the dance you may have become accustomed to. Come expand your breath and presence – in all your dances. It's a joy.

While the practice itself is the essence of simplicity, it has the power to catalyse deep healing. People all over the world have discovered the freedom and enjoyment that 5Rhythms offers, both on their own and with others who love the same thing. All levels of fitness and experience welcome.
